Obituary

Jerry E. Mattor
Jerry Ellsworth Mattor died at the Central Maine General Hospital, Friday night, Sept. 19, where he had been since Labor Day when he received injuries in an automobile accident. He was gaining rapidly and expected to be taken home this week. The end came unexpectedly. His age was 28 years, 9 months and 20 days.

The deceased was the son of Victor and the late Emma Mattor, natives of Canada, born in Percy, N. H., on Nov. 30, 1895. The family moved to Norway twelve years ago and he found employment with the C. B. Cummings & Sons Co. as teamster and general workman. Mr. Mattor was gentle and made friends who deeply lament his death.

The funeral was held in St. Catherine's Catholic church Monday morning at 9 o'clock, Rev. James E. Redden officiating. Four shamshades who served as bearers were George H. Robertson, Robert A. Kimball, Eugene Lebrooke and Albert G. Hadley. Burial was in Norway Pine Grove cemetery.

He leaves, beside his father, two sisters, Mrs. Ida Everett, Clara F. Mattor, and five brothers, Archie V. Mattor and Annie Mattor of New York and Ernest J. Mattor, Daniel H. Mattor, Elsie G. Mattor all of Norway.

Boston Post Correspondents Meet
Catherine D. Estes of Salem, Mass., when eleven years old, wrote a letter which was published in the Post, requesting some little girl who read that paper in the winter of 1819 to 1821, to answer it. The letter was seen by Miss Estelle M. Hewey of Andover, and answered.

Occasional letters have been exchanged by them for the past 18 years. A visit was arranged and parties met, with their children, at the Goodwin farm on Pike Hill, last week.

Both of the parties have married and had children and are comfortably located in their different homes.

Miss Catherine Estes has become Mrs. Earl Wilkins and has three children, two boys and a girl. The oldest, three and one-half years, named Gordon; Donald and Barbara.

Miss Bola Hewey has become Mrs. Archie G. Goodwin and has four children, 2 girls and 2 boys, and the oldest, 8 years, named Norman; Natalie, Gordon and Priscilla.

The Salem, Massachusetts friends arrived by auto to the Goodwin home last Friday and remained until Tuesday and enjoyed farm life and scenery. They assisted in picking sweet corn for the canning factory and feeding the hens, they also saw the cows milked.

Tempest and Sunshine
"Tempest and Sunshine," the Southern comedy drama, to be presented Sept. 30, for the benefit of the K. of P. Sisterhood, is from the book by the same name by Mary J. Holmes and has been read by thousands. This play has been produced by the best professional talent in the country, and has recently been arranged for amateurs.

"Sunshine" is a beautiful character, amiable and dutiful and all that her name implies. "Tempest" is the very opposite, self-willed and fiery, and draws upon herself a bitter punishment. The father, "Josh Middleton," is a gruff, unpolished, Kentuckian filled to the brim with humorous instinct. "Richard Wilmot" is the typical young American.

RENEWED TESTIMONY

No one in Norway who suffers headaches or distressing urinary ills, can afford to ignore this Norway woman's twice-told story. It is confirmed testimony that no Norway resident can doubt.

Mrs. Myrtle Payne, 237 Main St. Norway, says: "I used Doan's Pills and am thoroughly satisfied they are a dependable kidney remedy. I had more or less pain across my back and kidneys which annoyed me when stooping or lifting. I found Doan's Pills good for the trouble and after I used this remedy the pains lessened. I have been practically free from the trouble since taking Doan's and feel they deserve my recommendation. (Statement given June 7, 1916.)"

On September 3, 1920 Mrs. Payne said: "The statement I made holds good. I recommend Doan's as highly to good as I have during the past. The good they did me has lasted."

RESOLUTIONS OF RESPECT

Whereas: Our Heavenly Father has called to her eternal home one of His own and one of our number, therefore be it

Resolved: That as Sister Evelyn Hill, after months of illness, willingly answered her Lord and went hence, Julian Rebekah Lodge No. 12 parts with one of its Past Noble Grands and with a worthy, loving sister.

Resolved: That as the clouds are heavy and the loving husband in his loneliness realized his loss was the comfort of her God and a remembrance of her faith lead him forth with courage and hope.

Resolved: That at this time and in this manner we as sisters and brothers extend to the bereaved family our sincere sympathy.

Resolved: That a copy of these Resolutions be sent to the husband, one spread upon our records and one be sent to the Norway Advertiser for publication.

RESOLUTIONS OF RESPECT

Once more the Great Commander of us all has said to one of our members, "Come up higher," and our sister, Minnie Hobbs, has answered the call and has passed from earth's weariness and pain to that land where sickness and sorrow are unknown, therefore be it

Resolved: That we deplore the loss of a worthy and faithful member of our order, but we realize that she has only gone a little before us, from the activities of this life to higher and holier duties in the life just beyond our earthly vision.

Resolved: That we tender our heartfelt sympathy to the relatives and friends and especially the son in this bereavement.

Resolved: That these resolutions be spread upon the records of our Lodge, that a copy be sent to the son of our deceased sister and also to the Norway Advertiser for publication, and our charter be draped in mourning thirty days.

Banish the Hand Pump. Use a DURO Water System

In primitive countries woman is regarded somewhat as a beast of burden. She is subjected to all sorts of drudgery, does practically all the work, and her lot is hard and discouraging. This custom is rightfully regarded as inhuman and uncivilized.

Yet thousands of women in this country today are shackled to the old-fashioned hand pump. In many cases they carry the water considerable distances after pumping it. The amount of time and energy lost is incalculable.

DURO Water Systems

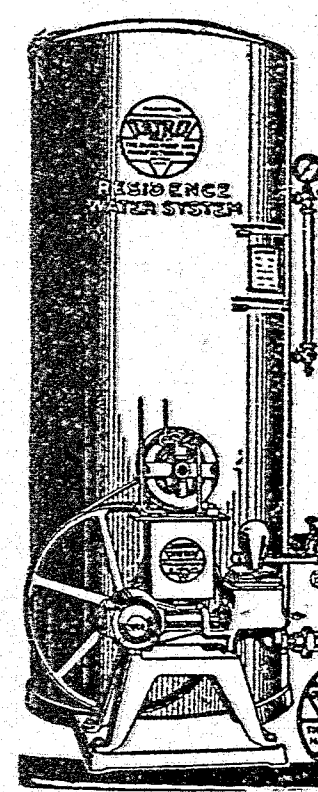

"Just Like City Water Service"

have liberated thousands of women, and men, from the grinding toil of pumping and carrying water. They have brought comfort, cleanliness and health where drudgery, dirt and disease prevailed before.

Duro systems give you all the conveniences of city water service. Running water under pressure in kitchen, bathroom, toilet, garden and barn is at your service.

Compact, powerful, and automatic—a Duro system is easily installed in old or new homes and costs less than 1c a day to operate. Driven by either electric motor or gasoline engine.

Duro Systems are made in many sizes and styles. Ask us for an estimate of cost

DR. BENJAMIN CHANDLER OF PARIS

By F. A. Briggs
Dr. Chandler was the son of Perez and Rhoda (Wadsworth) Chandler of Duxbury, Mass., and was born in 1782. Dr. Chandler commenced practice in New Gloucester, then moved to Hebron and about the year 1811 came to Paris and continued to practice his profession till his decease.

In 1818 and 1819 he was elected a Representative to the Legislature and went to Boston to discharge his duties before the State was divided. He was appointed Assistant Surgeon in Coy. Ryerson's regiment in the war of 1812-15; but whether he left town to accompany the regiment is not known. He was appointed Judge of Probate immediately after the separation of Maine from Massachusetts and entered upon the duties of his office June 6, 1820, the successor of Judah Dana, and continued in that office until 1827.

Dr. Chandler was twice married, first to Wealthy, daughter of Ichabod Benson and second to Miss Sarah Barker of Portland, but left no children.

The character of Dr. Chandler was often referred to by the oldest inhabitants of Paris who knew him well. He is represented as a member of the church, as a moral, upright man, amiable in his disposition, unobtrusive in his manners, respected and beloved as a physician and honored as an able, intelligent and useful citizen by all his contemporaries.

Dr. Chandler's last resting place is on the old (discontinued) road from Paris Hill to the pine woods road in a small yard, well walled and fairly well taken care of, there is a large mound of earth covering the tomb and on four very small granite posts rested the marble tablet which has recently been broken, as when the writer saw it in the fall of 1923, it was in good shape and on this tablet is the following inscription:

Hon. Benj. Chandler's Tomb
Sacred to the Memory of Mrs. Wasy Chandler
Born E. of the Hon. B. Chandler, who died Nov. 26th A. D. 1822 aged 36.
Rest here frail body beneath this stone,
While the immortal Spirit to life is gone,
Till the last trumpet's sound is given,
Then reunited wing away to heaven.

Sacred to the Memory of
Benjamin Chandler, died
Apr. 29, 1827 A. D. 45.
Beloved for merit and for virtues dear,
'Twas but to know his goodness to revive;
Honor and piety his glories shed
To ornament his life. That life has fled,
But not his memory, a friend most dear,
Surviving writes this memorial here,
To children his life's understanding stir,
But still, alas no more, the happy wife.

BIMSLEY MOTT JORDAN
From the Oil, Paint & Drug Reporter,
New York, Sept. 15: "Bimsley Mott Jordan, financial secretary of the Travelers' Association of the Paint and Allied Trades of New York, and known to the paint and varnish trade as a salesman for the last sixty-four years, died suddenly Thursday morning at his late residence in Brooklyn. He represented various concerns, his last connection being with L. Martin & Co. Mr. Jordan, who was eighty-four years old on May 18, had been in ill health for the past year, but his death was wholly unexpected. He had planned to leave Saturday for a two weeks' vacation trip to his birthplace, Dixfield, Me., with his daughter, Miss Katherine H. Jordan. Wednesday night he wrote to Thomas P. Nolan, president of the Travelers' Association, as well as to a number of his other friends, telling of his proposed vacation trip, closing by saying he expected to be back in two weeks. He also added that, if anything should happen, he hoped the association would send the money usually spent for flowers to the Salvation Army or any other charity. This last wish was ordered carried out by the association at its meeting Friday night.

The burial will be at Dixfield. Miss Jordan accompanied the body of her father there Saturday. She alone survives him.

FORMER COUNCILMAN NOW ENDORSES KARNAK

Henry W. Ingraham, of
Portland, Me., Says Andre's
New Medicine Beats
Anything He Ever Saw

With his stomach in such a disordered condition that he suffered from indigestion and headaches after every meal, Henry W. Ingraham, 182 High St., Portland, Me., well known insurance man and former city councilman, states that M. Andre's sensational new medicine has fixed him up to

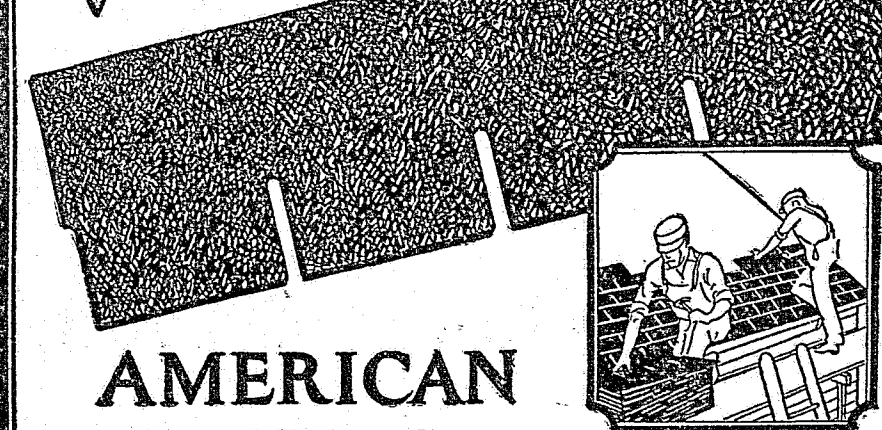

where he never felt better in his life.

"I could eat but very little on account of my poor appetite," says Mr. Ingraham, "but even that seemed to do me more harm than good and, consequently, I was in a very weakened, rundown condition."

"However, I am feeling fine and fit in every way now since Karnak has put me in such splendid health. It's the best medicine I ever saw, and I can't say half enough to do it justice."

Karnak is sold in Norway by Frank P. Stone, and by the leading druggist in every town.

STORY OF BY-GONE DAYS

Twenty-Six Years Ago

Private Albert J. Stearns of Company K, is home from Chickamauga with typhoid fever. Dr. H. L. Barlett accompanied him from Chattanooga.

During a series of showers lightning struck trees in Ordways Grove, smashed a window and knocked over Fred Locke at Geo. Locke's home on Water Street; struck and melted feed wires at the pumping station and burned out a fuse on the light pole near W. F. Jones residence. Street and house lights were damaged and insulation ripped off the wire in many places.

The Spanish War is over and the event was celebrated at Poland Spring House, Monday evening.

A. H. Burnham's corn shop at North Waterford was burned. Machinery and 300,000 cans are a total loss. The store shed and husking shed were saved. Loss is estimated at \$20,000, insured for \$10,000. Two hundred acres of corn were about ready to be picked for the factory. William C. Leavitt sells Chole rancho for \$15,000. C. A. Wiley advertises Reo Coffee, 10c lb., molasses 25c per gal., tomatoes 10c per can. Stone has an extra fine cigar for a nickel. THE SPIDER'S MISSION

Mark Twain when editor of a small town paper, received a letter from a superstitious subscriber, saying he had found a spider in his paper and asking whether that was a sign of good luck or bad. The humorist printed the following answer:

"Finding a spider in your paper was neither good luck nor bad luck for you. The spider was merely looking over the paper to see which merchant is not advertising so he can go to that store, spin his web across the door and lead a life of undisturbed peace ever afterward." —World's Work.

Mrs. Alice Marston has moved from the rent in Mrs. Geo. Robertson's house to a room in the Cox house on Crescent Street, with Mrs. Chipman.

ALBANY**Round Mountain Grange Entertains**

On September 20, Round Mountain
Grange was host to a large number of
patrons and friends and Albany seemed
to have donned her best cap and gown
of blue sky, radiant sunshine and em-
erald green dotted here and there with
tinges of Autumn red, the view of the
White Mountain range with Mt. Wash-
ington in plain view, large number of
and expressions of delight, especially
from their first time visitors. There
were patrons from Auburn, Portland, He-
bron, Watford, Sweden, Bethel, Kezar
Lake, and Norway Granges and the world
before the eyes of all as they entered
the hall, the glad hand was extended to
members of the host grange. Worthy
master Leon L. Kimball opened the meet-
ing promptly, disposing of a large
amount of business which included ballot-
ing on candidates and financial arrange-
ment, all work being closed in time for
the serving of dinner. We wish to say
that the dining room presented a beau-
tiful appearance, the beautifully laden
tables decorated with lovely flowers made
a vista of loveliness.

As they entered the dining hall, Bro.
Lin Flint, "the jungle man" was seen
to make ecstatic demonstrations with his
lips, he had spied several "custard pies."
The guests of honor were E. H. Libby,
secretary of the Maine State Grange; the
Rev. Mrs. Hilda Ives, pastor of the
church, and six members of the Chas.
Benedict of Portland who played selections
and responded to encores repeatedly,
through their generous generosity (it de-
serves just such emphasis) of Sister
Ives, who is a member of Pleasantdale
Grange, South Portland, they came. Bro.
E. H. Libby pronounced the blessing and
soon as one brother expressed, "they
were too full for utterance."

Open meeting was held throughout the
afternoon, with the officers retaining re-
galia and occupying their stations.
The program was of exceeding merit
and every number which was inter-
spersed with instrumental music and
songs was much appreciated. Music was
the first number, singing "America"
with band accompaniment; dialogue,
"Aunt Patience's Doughnuts," Sister
Annie Haselton (in costume) and Hazel
Kimball, a laugh from start to finish.
Reading, Adeline Cummings, Song, "Hur-
rah for Old New England," Grange, with
piano, followed by music; address, Bro.
E. H. Libby; original paper, Sister A.
E. K. Grover; song, "State of Maine"
followed by music.

Sister Hilda Ives gave a talk of much
interest; reading, Brother Riley McKean
who responded to an encore; Old Glory
was sung and Sister Frances Brown
Wardwell, the only living charter member
of Round Mountain Grange, made inter-
esting remarks and paid a glowing tri-
bute to the order she joined when in her
teens. The Worthy Master and his
ready response from the floor and
many helpful suggestions were given and
heartily laughs caused by the witty stories
and grotesque situations described. Bro.
J. A. Kimball claimed the honor of help-
ing vote Brother Libby into the office of
secretary in the Maine State Grange 29
years ago. Among those present were
Brothers George Kimball, McKean, Cum-
mings, Bennett, Worthy Sec. Libby, Lin
and Bert Flint, Copeland, J. A. Kimball,
J. P. Rich, Sisters Haskell, Bennett, Ives,
Rowe, Grover, Farwell, Copeland, Ward-
well and others. It really resolved the
self into a great family party and the
"That reminds me," and the "do you
remember?" heard on all sides gave a
real homey air which entranced the en-
joyment of the upwards of one hundred
and fifty present. Brother Copeland an-
nounced that Bethel Grange would have
its fiftieth anniversary in October.

Reading, "America, the Beautiful,"
Sister A. E. K. Grover. The sweet hymn
which is like a blessing "God Be With
You 'Till We Meet Again" was sung,
which brought to a close a meeting long
to be remembered by those present, and
heartfelt thanks is given to all who were
instrumental in giving so much pleasure.

Brother George and Sister Lena Bruce
ed as improving and Sister Lena Bruce
ed slightly improved.

Special meeting was held this week for
conferring degrees.

7 with Bear Mt. Grange, South Water-
ford.

land in December.

burn were callers at Will Grover's, Sun-
day.

A good sized congregation was present
at the morning service of the Albany
Congregational Church. Mrs. Ives' ser-
mon was on the text, "No man also
having drunk old wine straightway de-
sireth new: for he is full, and he is be-
ter," Luke 9:41. She spoke of the
tendency of human nature to stay in
ruts, to persist in habits that prevent
newness of life. Jesus came to erad-
icate old habits, to fill life with the love
that expands the soul and warms the
heart. To the Christian there is no such
excuse as "I have always been like this"
and I always will be. With Jesus
as the Saviour and guide, all Christians
can in time be perfected. Life for them
is bound to be constant change and as-
pirations, because of this faith with God
all things are possible.

Under the auspices of the Boys' Club,

will be presented at the Grange Hall,
Monday evening, October 6.

Cannot Praise Lydia E. Pinkham's
Vegetable Compound Enough. Sick
Women Read This Letter

Charleston, S. C.—"I was completely
run-down and not able to do my house-
work. I just dragged
myself around, and
did not have energy
enough to get up
when I sat down. I
read advertisements
of Lydia E. Pink-
ham's Vegetable
Compound in your
books and learned
about it. I got benefit
from the very first
bottle. I continued
to take it for some
time, and now I am
doing all my own
work, even washing and ironing,
and never felt better in my life. I tell
all my friends that the change in my health
is due to but one thing and that is Lydia
E. Pinkham's Vegetable Compound. I
cannot praise it enough."—Mrs. ANNIE
YOUNG, 18 Amherst St., Charleston, S.C.

The reason for such a letter from Mrs.
Young is apparent. She got well and
is grateful. Recently a nation-wide
canvass of women purchasers of Lydia
E. Pinkham's Vegetable Compound was
made, and 98 out of 100 reported that
they received benefit from taking it.
Just because the Vegetable Compound
has been helping other women is a good
reason why it should help you. For

People are often amazed when they
hear of a case like Mrs. Hammond's.
Yet it is the most natural thing in the
world to eat plenty of fruit for Indi-

Constipation and Biliousness by
eating figs and prunes.

"Fruit-a-tives," made of the inten-

relieve stomach and bowel troubles.

Mrs. E. C. Hammond, 218 Sykes St.,
